**Ratchapat Institute Kanchanaburi**

**Village Survey Form**

Village No. \_\_\_\_\_  
District     \_\_\_ \_\_\_  
Sub-district \_\_\_ \_\_\_  
Village     \_\_\_ \_\_\_

Village No.....Village name.....Sub-district..... District ..... Kanchanaburi Province
Date of interview..... Starting at..... Ending at..... Total time .....
Name of Interviewer ..... Name of Field Supervisor.....D/M/Y ..... Name of Editor.....D/M/Y..... Name of Coder.....D/M/Y.....
Opinion of interviewer ..... ..... ..... ..... .....

**Village information is collected by group interview which do not less than 3 persons**

### **Village Data**

Name of respondents	Position	Age (years)	Sex
1.			
2.			
3.			
4.			
5.			
6.			
7.			
8.			
9.			

**Village information is collected by group interview, if the data is incomplete, please try to complete**

Information issue	Name of respondents
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	

**Part 1: General Data**

1.1 How do the village locate ? (Can answer more than one item)

- 1. Plain low-land
- 2. Highland/plateau
- 3. A ridge of mountain/A slope of mountain
- 4. Hill side/A ravine
- 5. Near the river
- 6. Edge of reservoir

1.2 How do the household settle?

- 1. Along the road/river
- 2. Scatter
- 3. Cluster
- 4. Other (specify).....

1.3 How many households are there in this village?

.....households

1.4 How many people are there in this village?

Total.....persons      Male.....persons      Female.....persons

**Interviewer:** Factory in the village means that the factory which produce, make or repair goods and was conducted by person or group at only one place. This factory can produce more than one product.

1.5 Is there any factory in this village?

1. Yes

1.5.1 No. of Factory .....

1.5.2 Specify name and type of factory

- 1. ....
- 2. ....
- 3. ....

2. No

1.5.3 How far is the nearest factory from this village? .....Kilometers

1.5.4 Specify name and type of factory

- 1. ....
- 2. ....
- 3. ....

## Part 2: Agriculture

2.1 Where is the source of water for agriculture? (*can answer more than one item*)

- |                                       |                         |
|---------------------------------------|-------------------------|
| a. Irrigated canal                    | d. Swamp                |
| b. Well No. of well.....              | e. Weir                 |
| c. Brook/ Canal /River (specify)..... | f. Rain                 |
| .....                                 | g. Other (specify)..... |

2.2 The quantity of natural water compare to last year ?

- |             |                               |
|-------------|-------------------------------|
| 1. Decrease | 4. Do not know                |
| 2. Increase | 5. No source of natural water |
| 3. Same     |                               |

2.3 How many lands are there in this village? ..... Rai

For agricultural used (including for sell and consume) ..... Rai

2.4 Which plantation do most household plant in this village and what is the percentage of the total agricultural land ?

1. Rice farming (continue to question 2.5 – 2.6)
 

├── Rice field where paddy seedling are transplanted	.....Percent
├── Rice field where paddy seedling without transplanted	..... Percent
└── Upland Rice	..... Percent
2. Crops farming                      Percent..... (Continue to question 2.7 – 2.8)
3. Vegetable garden                  Percent..... (Continue to question 2.9-2.10)
4. Fruit orchard                      Percent..... (Continue to question 2.11 – 2.12)
5. Tree (i.e. Teak, Eucalyptus) (specify)..... Percent.....
6. Other (specify)..... Percent .....

**1. In case of rice farming** (The rice was grown on owned land or rented land ; this land could be located inside or outside this village)

2.5 **In the past year** . How many times per year do most households grow rice ?

- |                 |                |                         |
|-----------------|----------------|-------------------------|
| 1. Once a year  | 3. Three times | 5. Other (specify)..... |
| 2. Twice a year | 4. Four times  | 8. No rice growing      |

2.6 **From 1<sup>st</sup> July 2000 till now**, How much rice did most households produce ? ( Kilograms per rai)

.....Kilograms per rai                      8. No rice growing

2. **In case of crop farming** (The crop was grown on the owned land or rented land, which the land could be located inside and outside the village.)

2.7 **From 1<sup>st</sup> July 2000 till now** What type of crops did most households in this village grow ?

Rank 1<sup>st</sup> .....

Rank 2<sup>nd</sup> .....

Rank 3<sup>rd</sup> .....

↓

2.8 **From 1<sup>st</sup> July 2000 till now** How many crop products did most households produce ? (Rank 1<sup>st</sup> in Q. 2.7)  
..... Kilograms per rai                      8. No crop growing

3. **In case of vegetable garden** (The vegetables were grown on owned land or rented land, this land could be located inside or outside the village, excluding vegetable garden in the household area or the field.)

2.9 **From 1<sup>st</sup> July 2000 till now** What type of vegetables did most households in this village grow ?

Rank 1<sup>st</sup> .....

Rank 2<sup>nd</sup> .....

Rank 3<sup>rd</sup> .....

↓

2.10 **From 1<sup>st</sup> July 2000 till now** How many vegetable products did most households produce ? (Rank 1<sup>st</sup> in Q.2.9)  
..... Kilograms per rai                      8. No vegetable gardening

4. **In case of orchard** (Fruit was grown on the owned land or rented land, which the land could be located inside or outside the village, excluding fruit garden growing in the household area or the field.)

2.11 **From 1<sup>st</sup> July 2000 till now** What type of fruit did most households in this village grow ?

Rank 1<sup>st</sup> .....

Rank 2<sup>nd</sup> .....

Rank 3<sup>rd</sup> .....

↓

2.12 **From 1<sup>st</sup> July 2000 till now** How many orchard products did most households produce ? (Rank 1<sup>st</sup> in Q. 2.11)  
..... Kilograms per rai                      8. No fruit orchard

4.7 What type of main road do people use for travelling within the village ?

- 1. Soil
- 2. Laterite
- 3. Asphalt
- 4. Concrete

4.8 What type of the main road do people use for travelling outside the village to District ?

- 1. Soil
- 2. Laterite
- 3. Asphalt
- 4. Concrete

4.9 **From 1<sup>st</sup> July 2000 till now** Did the road in this village have a flood problem (that caused people inconvenience when they traveled to the district)?

- 1. Yes (Specify month of problem occurred).....
- 2. No

4.10 Does this village have a bus route?

- 1. Yes
- 2. No

↓

4.10.1 How often does the bus pass this village ? .....Rounds/day

4.10.2 How long is each bus round ? (*Specify in time such as every 30 minutes*)  
.....

---

4.10.3 **(If no)** How far is this village from the place where the bus route ?  
..... Kilometer(s)

**Part 5: Environment**

**Interviewer: Ask for the event, which occurred from 1<sup>st</sup> July 2000 till now**

5.1 Do residents of this village get sick from the agriculture chemical (i.e. fertilizer insecticide herbicide) or industrial?

- 1. Yes
- 2. No

↓

Disease/signs and symptoms	Cause	No. of patient
1.		
2.		
3.		
4.		
5.		

- 5.2 Does this village have pollution problems ( namely water pollution, air pollution) by the factory (Including inside and outside this village) or chemical (i.e. fertilizer, insecticide, herbicide)?
1. Yes (Specify the problem and severity and cause).....  
.....
  2. No
- 5.3 Does this village face with the decreasing of soil quality from the agriculture chemical or factory?
1. Yes (Specify problem and cause).....  
.....
  2. No
- 5.4 Does this village have other any environmental problem ?
1. Yes (specify).....  
.....
  2. No
- 5.5 Does the daily life of people in this village depend on the natural forest ? (i.e. cut wood for build a house/firewood, seeking young bamboo and mushroom)
1. Yes (specify activity).....
  2. No
- 5.6 **From 1<sup>st</sup> July 2000 till now** Does the village face with the natural disaster?
1. Yes (specify).....
  2. No

## **Part 6 : Health**

- 6.1 **From 1<sup>st</sup> July 2000 till now.** What type of disease do the people getsick ?
- Specify disease.....
