

**Patama Vapattanawong, PhD**  
Institute for Population and Social Research  
Mahidol University, Thailand  
+66-2441 0201 to 4 ext. 510  
patama.vap@mahidol.ac.th

## **EDUCATION**

	<b>Degree</b>	<b>Year</b>	<b>Field</b>
Mahidol University	BSc.	1983	Nursing and Midwifery
Chulalongkorn University	MSc.	1993	Community Medicine
Mahidol University	PhD.	2002	Demography

## **EMPLOYMENT HISTORY**

2015 – Present	Professor, Institute for Population and Social Research
2010 – 2015	Associate Professor, Institute for Population and Social Research
2005 – 2010	Assistant Professor, Institute for Population and Social Research Mahidol University, Salaya, Nakhon Pathom, Thailand
2003 – 2005	Lecturer, Institute for Population and Social Research, Mahidol University, Salaya, Nakhon Pathom, Thailand
2002 – 2003	Public Health Academe 6 at Health Information Group, Bureau of Health Policy and Strategy, Ministry of Public Health, Thailand
1992 – 2002	Public Health Academe 6 at Sungai Kolok Hospital, Narathiwat Province, Thailand
1987 – 1992	Registered Nurse at Wang Hospital, Narathiwat Province, Thailand
1983 – 1987	Registered Nurse at Siriraj Hospital, Bangkok, Thailand

## **TEACHING EXPERIENCE**

2003 – Present	7 PhD courses (international programs): 1) PRDE 662: Indirect Technique for Demographic Estimation 2) PRDE 676: Advances Demographic Projection 3) PRDE 682: Advanced Analysis Techniques in Demography 4) PRDE 686: Advanced Mortality 5) PRDE 690: Population and Social Determinants of Health 6) PRDS 702: Demographic Materials and Methods 7) ADHS 704: Doctoral Seminar in Health and Sustainability 1 PhD course (Thai program): 1) PRPR 721: Morbidity, Burden of Diseases and Mortality 7 MA courses (both Thai and international programs):
----------------	--

- 1) PRPR 550/ PRPS 500: Substantive Demography
- 2) PRPR 554/ PRRH 554/ PRPS 555: Technique of Demographic Analysis
- 3) PRPR 565/ PRRH 565: Statistics and Computer in Social Sciences I
- 4) PRPR 566: Statistics and Computer in Social Sciences II
- 5) PRPR 586: Data Management and Survey Data Analysis for Social Science Research
- 6) PRPS 640: Data Management for Quantitative Research
- 7) PHST 605: Population, Health and Community Health Services Development

## **PROGRAM COMMITTEE**

- 1) International Ph.D. Program in Demography
- 2) International Ph.D. Program in Health and Sustainable Development

## **RESEARCH EXPERIENCE**

- |                |   |
|----------------|---|
| 2024 – Present | Co-investigator in the project entitled “Studying the inequalities of the burden of caregivers for older people in Thailand”, funding supported by Mahidol University (Strategic Research Fund)   |
| 2023 – Present | The Academic Working Group Develops Methods for Estimating the LGBTQ+ Population of the research project entitled “Size Estimation of LGBTQ+ Populations and LGBTQ+’s Life and Health”, funding supported by Thai Health Promotion Foundation (ThaiHealth)  |
| 2023 – Present | Country investigator in the international collaborative research project entitled “Analyses and Projections of Households and Living Arrangements in Six ASEAN countries (HOUSEHOLD-ASEAN)”, supported by the Singapore Ministry of Education   |
| 2022 – Present | Country investigator in the international collaborative research project entitled “Innovative research on probabilistic projections of households, living arrangements, older adults care needs and age-friendly housing demands in China and other eight developing countries”, supported by the National Natural Science Foundation of China (NSFC) |
| 2022           | Co-investigator in the project entitled “Estimate number of children orphaned from COVID-19 in Thailand: maximize use of Civil Registration database for policies”  |
| 2021 – 2022    | Co-investigator in the project entitled “Children’s, elder caretakers’ well-being, and parental migration in the context of the three southernmost provinces”, supported by Mahidol University (Basic Research Fund)  |

2020 – 2022	Co-investigator in the project entitled “The long-term impact of diverse parental migration experiences on transition to adolescent: A case study of Thailand”, supported by National Research Council of Thailand (NRCT)
2018 – 2019	Researcher in the project entitled “The Revision of Population Projections of Thailand 2010 – 2040”, supported by the Office of the National Economic and Social Development Board (NESDB)
2017	Population consultant for the BMA city planning (4 <sup>th</sup> revision) operated by the Chotichinda Consultant Limited
2015 – 2016	Investigator in the project entitled “The Study of Centenarian in Thailand”, supported by the Thailand Research Fund (TRF)
2015 – 2016	Principal investigator in the project entitled “The Study on Manpower Situation and Changes in Thailand”, supported by Thailand Professional Qualification Institute
2015	Principal investigator in the project entitled “Long Term Follow-up the Survivorship of Live Births Born among Younger Than and Older Than 20 Years Old Women”, supported by Institute for Population and Social Research, Mahidol University
2014 – 2015	An advisor in the Connecting the Mekhong through Education and Training (COMET) Project, a collaborative research between Institute for Population and Social Research (IPSR) and Education Development Center (EDC), USA; supported by USAID
2014 – 2015	Co-investigator in the project entitled “Population Size Estimation Analysis of Migrant Workers in Thailand”, supported by Raks Thai Foundation
2012 – 2013	The working group of developing “Demopaedia-Multilingual Demographic Dictionary, second unified edition, Thai”, supported by UNFPA Thailand
2012 – 2013	Researcher in the project entitled “Pact Thailand, Global Fund Round 10, CHILDLIFE External Support and Child Well-Being Survey”, supported by Pact Thailand.
2011 – 2012	Researcher in the project entitled “Academic Support for the Survey of Children and Women Situation in Thailand, 2010”, supported by UNICEF Thailand
2011 – 2013	Co-PI in the project entitled “The Study of Policy Impacts on Country Development from the Results of Population Projections of Thailand”, supported by the Office of the National Economic and Social Development Board (NESDB)

- 2011 – 2013      Researcher in the project entitled “Demographic, Socioeconomic, Cultural, Surveillance and Long Term Care for the Well-being of Thai Older Persons” under the project “National Research Universities”, supported by the Office of the Higher Education Commission, Ministry of Education
- 2010 – 2012      Researcher in the project entitled “Children Living Apart from Parents Due to Internal Migration”, supported by UNICEF Thailand
- 2009 – 2012      Researcher in the project entitled “The Study of Population and Family Changes: Impacts on Thai Society and Policy Implications”, by Institute for Population and Social Research, supported by Mahidol University
- 2008              Researcher in the project entitled “MICS3 Evaluation” by John Snow, Inc. (JSI), supported by UNICEF
- 2007 – 2010      Researcher in the project entitled “Child Health and Migrant Parents in Southeast Asia (CHAMPSEA)”, by Asia Research Institute, NUS, supported by the Wellcome Trust of United Kingdom
- 2007 – 2008      Researcher in the project entitled “Mortality of Thai Elderly: Prospective Study”, supported by the Thai Population Health Survey Office, Health System Research Institute, Ministry of Public Health, Thailand
- 2007              Co-PI in the project entitled “Evaluation on Integrated Administration in Emphatic community” by Institute for Population and Social Research, Mahidol University, supported by National Housing Authority, Thailand
- 2006              Researcher in the project entitled “Study on Civil Servants’ Structure for Government Manpower Planning in the Future” by Institute for Population and Social Research, Mahidol University, supported by Officer of the Civil Service Commission, Thailand
- 2003 – 2007      Researcher in the project entitled “Integrated Multidimensional Database in Information System of Baseline Data for Development (ISBDD)”, Thachin-Mae Klong Watershed Integrated Research Network, supported by Mahidol University
- 2003 – 2006      Researcher in the project entitled “Burden of Disease and Cost-effectiveness of Intervention Options: Informing Policy Choices and Health System Reform in Thailand”, supported by the Wellcome Trust of the United Kingdom, the National Health and Medical Research Council of Australia and the Health Research Council of New Zealand
- 2003 – 2006      Researcher in the project entitled “Development of Verbal Autopsy as a Tool to Identify Causes of Death”, supported by Institute for Population and Social Research, Mahidol University

- 2001 – 2003      Researcher in the “Health Status Indicators of Thai Population Project”, supported by Health Systems Research Institute
- 2002              Working group of Population Projections for Thailand, 2000 – 2025, supported by Health Systems Research Institute
- 1999              Working group of Thailand Population Projections, 1999 – 2016, conducted by the Office of National Education Commission
- 1999              Researcher in the Analysis of Population Ageing in Thailand Projected, supported by the Institute for Population and Social Research, Mahidol University
