

SUREPORN PUNPUING, PhD

Associate Professor
Institute for Population and Social Research
Mahidol University, Thailand
Sureeporn.pun@mahidol.ac.th

A. SUMMARY OF QUALIFICATIONS

Sureeporn Punpuing is an Associate Professor of the Institute for Population and Social Research (IPSR), Mahidol University. She was a Director of IPSR during 2008-2016. Her research focuses primarily on population, particularly migration-environment interactions and health and cross-border migration, migration and health. Dr. Punpuing used to work as a Population Affairs Officer at United Nations (head quarter) in New York City, a consultant for ESCAP, IOM, ILO and WHO in Bangkok, and UNFPA in Mongolia.

Dr. Punpuing has published numbers of articles on urbanization, migration and health, aging, particularly related to different population such as older persons and adolescents. She holds a Bachelor degree in Statistics from Silpakorn University, Thailand; a certificate in Population Sciences from International Institute for Population Studies (IIPS), India; Master's degree in Demography and a Ph.D in Resource Management and Environmental Sciences from the Australian National University, Australia. She was served as a President of Thai Population Association during 2008-2010 and 2014- 2016; an elected-Asia representative- council member of the International Union for the Scientific Study of Population (IUSSP) during 2014-2017, and now as the Asia Population Association (APA) council member, and also a site leader of the Kanchanaburi HDSS which is a member of INDEPTH network - longitudinal study sites in Asia and Africa based on health - demographic surveillance system.

B. EDUCATION

Degree/Institution	Year
1. B.Sc (Statistics) , Silpakorn University, Faculty of Sciences, THAILAND	1981
2. Certificate (Population Studies) , International Institute for Population Sciences, Deems University, INDIA	1986
3. MA (Demography) , Demography Programme, the Australian National University, AUSTRALIA	1992
4. Ph.D (Resource Management and Environmental Science) , Center for Resource and Environmental Studies, the Australian National University, AUSTRALIA.	1996

C. COUNTRIES OF PROFESSIONAL EXPERIENCE

Thailand, Laos, Mongolia, Myanmar, Vietnam

D. TEACHING EXPERIENCES

1. Statistics for Social Sciences research
2. Advanced Analysis in Migration
3. Migration and Health
4. Quantitative data management
5. Human Ecology

E. PROFESSIONAL EXPERIENCE

Position/Institution	Year
1. Director: IPSR, Mahidol University	2008-2016
2. Director: IPSR, Mahidol Migration Center	2017-present
3. Chair: Ph.D program in Demography, Mahidol University	2018-2022
4. Associate Professor: IPSR, Mahidol University.	2004-present
5. Statistician: IPSR, Mahidol University	1983-1995

OTHERS

Position/Institution	Year
1. Population Affairs Officer: Population Estimates and Projection Section, Population Division, United Nations (Head quarter-NYC).	June 1999- March 2000
2. Consultant: ESCAP: Population Database Development: Current Status and Future Direction	Sep.-Nov. 2000
3. Consultant: IOM: Improving Migration Policy Management with Special Focus on Irregular Labour Migration	Dec.2001- March 2002
4. Consultant: UNFPA Mongolia: Internal Migration in Mongolia	3-24 April 2006
5. Consultant: IOM: International Migration in Thailand, 2005 & 2009	January- June, 2004, and 2008
6. Consultant: UNFPA: the Quality Assurance Observation of the 2010 Thailand Population and Housing Census”	May-October 2010
7. Consultant: UNFPA Thailand: Thailand’s Family Data Collection and Synthesis	July-December 2014
8. Consultant: EDC (Education Development Center, Inc) Thailand: Connecting the Mekong Through Education and Training	October 2014- September-2017
9. Consultant: ESCAP: Survey on Ageing (MIPAA)	April 2020- March- 2022

F. (SELECTED) RESEARCH EXPERIENCE

Role/Project name	Year
Principal Investigator: Assessing how Identification of Oral Antibiotics Impacts Appropriate Community Based Antibiotic Use in Low and Middle Income Countries (ABACUS II study), supported by the Wellcome Trust, UK.	2020-2023
Principal Investigator: The Comprehensive Interventions for Achieving Healthy and Active Aging by Local Government Organization; supported by Thailand Research Council through Foundation of Thai Gerontology Research and Development institute (TGRI).	2022-2023
Principal Investigator: Monitoring and Evaluation Research on the Implementation of the first five-year round of physical activity promotion plan: 2018-2030; supported by Thailand Ministry of Public, and Thai Health Promotion.	2021-2023
Co-Principal Investigator: Parenting in Displacement Study on Thailand-Myanmar Border, supported by Lego foundation.	2022-2024
Principal Investigator: Development of Sub-district's Social and Health Database: Bangkok Metropolitan Administrative, supported by Thai Health Promotion.	2019-2021
Researcher: Thailand Population Projection: A Revision 2010-2040, supported by the National Economic and Social Development Board.	2018-2019
Principal Investigator: Community-level Antibiotic Access and Use (ABACUS) in Low- and Middle-Income Countries: Finding Targets for Social Interventions to Improve Rational Antimicrobial Use (ABACUS I study), supported by the Wellcome Trust, UK.	2016-2019
Principal Investigator: Impacts of Socio-Economic and Household structure on Psychological functioning of Older persons in Thailand; Self-funded.	2016-2018
Principal Investigator: Transnational Migration in Transition: Transformative Characteristics of Temporary Mobility of People (EURO-NET) , supported by EU	2014-2016
Principal Investigator: The External Evaluation of the AIDS Program, Under the GF-SSF Round Project: "Evaluation for youths, migrants and ethnic minorities", supported by the Global Fund.	2014-2015
Principal Investigator: Policy to foster multiculturalism in Southeast Asia: Intra-regional migration and well-being of migrants in the place of destination, supported by Toyota foundation.	2013-2014
Principal Investigator: Modification of HIV/AIDS Programs Using Decentralization Process at the Provincial Level for a Coverage and Sustainability, (GF-RCC), supported by the Global Fund.	2010-2011
Principal Investigator: Thailand's Regulatory, Institutional and Governance System for Managing Foreign Workers: A Perspective on a Cost-Benefit of the Migration Status of Migrants, supported by World Bank.	2009-2010
Co-Investigator: Depression, Disability And Socio-Economic Position Among Older Adults 'Left Behind' By Out-Migration: A Multilevel Study In Kanchanaburi Province, Thailand, supported by the Wellcome Trust, through Kings College, UK.	2006-2008
Co-Investigator: Migration and Health Among Adolescent in Khanachanaburi, DSS, supported by NIH through Tulane University, USA.	2005-2009
Principal investigator. Vulnerable Workplaces: The Destination Points in the Trafficking of Children and Young Women, Thailand, supported by ILO.	2004-2005
Principal investigator: Improving Migration Policy Management with Special Focus on Irregular Labour Migration, supported by ILO.	2000-2001
